

# SPLIT BRACKET

## SINGLES 8-BALL

Saturday, April 3

\$20 Entry ~ \$300 Added @ 64  
11am Sign-Up ~ 12 Noon Start

**How it works:** Based on ability, all the players signed up are split into an "Upper Bracket" and a "Lower Bracket". The players in the upper bracket only play against other upper bracket players. The players in the lower bracket only play against other lower bracket players. Once each bracket has played out, the upper bracket winner of the winner's side plays the lower bracket winner of the winner's side, with a handicap applied. The upper bracket winner of the loser's side plays the lower bracket winner of the loser's side, with a handicap applied.

**What's the benefit?** The players in the lower bracket are guaranteed to finish 3rd, 4th, 5th, and 7th, with the possibility of 1st, 2nd, 5th, and 7th.
